on the second floor is where the master bedroom is furnished with mahogany panel doors and the floor is of the best hard pine. The sleeping room in the attic is finished with hard pine. The heating system is steam and the boiler and radiation are made of cast iron. The water is pumped from the country. Even in the coldest winters the entire annual coal consumption should not exceed eight or nine tons. There are four large school houses and up to date stores in the town. There are no churches in the town. It is essentially a commuting community.

As the owners value the plot, 50 by 230 feet, at \$1,500, the actual value of the house is therefore \$7,250.

OHIO CITY SOLVES HOUSING PROBLEM

Middletown Obtains 100 Per Cent. Results From Good Team Work.

"Countrywide interest is being manifested by architects and builders in methods being worked out in financing

the building of homes, especially in sections where there has been considerable difficulty in obtaining sufficient funds to enable construction to proceed.

The situation was thereby relieved. The manufacturers were paid back their deposits with interest within six months. The operation will be repeated in the coming months of 1919, having proved a

satisfactory solution of the local problem and one which is of direct benefit to all concerned.

"A housing survey is now under way in Middletown under the direction of the Federal Housing Administration. This will undoubtedly disclose not only the actual shortage of homes, but through information supplied by the industrial plants concerning their plans for future expansion, will provide a dependable objective in planning a 1936 construction programme.

"The corporate limits of the city are about to be extended, following those suggested by the Federal Housing Administration, and will include such land as will be improved in the near future to provide these additional homes. The Board of Trade and public organizations of Middletown are co-operating with the Federal Housing Administration in the city and are desirous of promoting the city's healthy and comprehensive growth and the spirit of good fellowship and spirit
